It provides the ideal platform for your organisation to showcase its community engagement, products and services to our audience. Your organisation can use this opportunity to increase your brand awareness among conference delegates and partners and also reach the wider community working in diverse ministries.

Conference

Continuing the dialogue and success of the 2013 conference, the **Mission: one heart many voices 2015** conference in May will celebrate and identify the graces, the inspiration and the challenges of living the joy of the Gospel and leading mission in Australia and globally. This conference will explore Pope Francis' vision for mission and is set within the spirit of *Ad Gentes* and *Evangelii Nuntiandi*, documents that celebrate their 50th and 40th anniversaries this year respectively.

Mission: one heart many voices 2015 is for those who are inspired to strive creatively for justice, truth, peace, freedom, reconciliation and the Reign of God. It is a unique opportunity to listen, converse and experience the many and diverse voices that are an expression of the one heart of mission. The conference will explore the complexity and issues surrounding leadership, formation, theology and the practice of mission.

Over three days **Mission: one heart many voices 2015** will be home to some of the many voices of mission with the hope to empower participants with a vision of mission that is scriptural and theological, enabling, encouraging and inspiring us all to take up the challenges Pope Francis lays before us.

All those passionate about mission and in leadership roles in parishes, communities, organisations and agencies are invited to come together and join a conversation that may enable us all to live the joy of the Gospel and lead mission.

Details of the Event

Mission: one heart many voices 2015 is a full three-day conference open to the general public, locally, nationally, and internationally. It will take place on **May 18-20 at the SMC Conference & Function Centre, 66 Goulburn St, Sydney.**
