

A multi-sector dialogue on living the joy of the Gospel and leading mission

SMC Conference and Function Centre | Sydney, Australia | May 13 - 15, 2019

Dear Friend,

Please join us for the Mission: one heart many voices conference, in Sydney, May 13-15, 2019!

Blessings of love and joy

In the stillness of the night, in the quiet of Bethlehem a Child is born. This child Jesus whom we name 'Emmanuel - God with us' - changed the course of history. A new vision emerges. It is a world where the blind shall see, the lame shall walk, the captive shall go free and the wounds of the abused will be healed. A world where all will share in the abundance of a compassionate God. This is at the very heart of our mission as God's people.

Such a vision was carried in the heart of Oscar Romero and to which he gave voice. His canonisation this year reminds us of the cost of being a missionary disciple and what it means to live the Christmas story. 'We must not seek the child Jesus in the pretty figures of our Christmas cribs. We must seek him among the undernourished children who have gone to bed at night with nothing to eat, among the poor newsboys who will sleep covered with newspapers in doorways'. In this chaotic world where there is so much suffering and hardship we are called like Oscar to be the presence of Emmanuel.

On this Christmas day may each one be a blessing of love and joy wherever you find yourself as you welcome the Christ Child among the poor and lonely, among family and friends and in those places where the mission calls loudly.
